LETTER FROM THE CHAIR OF THE COMPANY

Accsys Technologies PLC
(registered in England and Wales with registered no: 5534340)

7 July 2026

Dear Shareholder,

2026 Annual General Meeting

I am writing to give you details of the resolutions to be proposed at this year's Annual General Meeting to be held at 2.30 pm (BST) on Friday, 25 September 2026 at the offices of Panmure Liberum, Ropemaker Place, 25 Ropemaker Street, London, EC2Y 9LY. These resolutions are set out in the Notice of Annual General Meeting on pages 5 to 6 of this document.

Shareholders should read the contents of this document in conjunction with the Annual Report and Accounts of the Company for the financial year ended 31 March 2026 ("**2026 Annual Report and Accounts**"), a copy of which can be obtained from the Company's website at www.accsysplc.com/investors/reports-results/.

Annual General Meeting

The resolutions set out below will be proposed at this year's Annual General Meeting. Resolutions 1 to 11 are to be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 12 to 15 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolutions 1–11

Resolutions 1–11 to be proposed at the Annual General Meeting will each be proposed as an ordinary resolution as follows:-

- 1) the receipt of the audited financial statements of the Company for the financial year ended 31 March 2026 (resolution no.1);
- 2) the approval of the Directors' Remuneration Report (excluding the Remuneration Policy) for the financial year ended 31 March 2026 (resolution no.2);
- 3) the reappointment of Trudy Schoolenberg who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers herself for reappointment as a Director at the Annual General Meeting (resolution no.3);
- 4) the reappointment of Louis Eperjesi who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers himself for reappointment as a Director at the Annual General Meeting (resolution no.4);
- 5) the reappointment of Roland Waibel who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers himself for reappointment as a Director at the Annual General Meeting (resolution no 5);
- 6) the reappointment of Edwin Bouwman who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers himself for reappointment as a Director at the Annual General Meeting (resolution no 6);
- 7) the reappointment of Jelena Arsic van Os who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers herself for reappointment as a Director at the Annual General Meeting (resolution no.7);
- 8) the reappointment of Sameet Vohra who retires as a Director under article 80 of the Company's articles of association and, being eligible, offers himself for reappointment as a Director at the Annual General Meeting (resolution no.8);
- 9) the appointment of Deloitte LLP as auditor of the Company (resolution no.9);
- 10) to authorise the Directors to determine the auditor's remuneration (resolution no.10); and
- 11) the renewal of authority for Directors to allot shares generally (resolution no 11).

Directors' Remuneration Report

As with previous years, this year's Remuneration Report is prepared under the UK regime for the reporting of executive pay which has applied to UK companies fully listed on the UK stock exchange from October 2013. Although Accsys is admitted to trading on AIM in the UK, its cross listing on Euronext Amsterdam in the Netherlands and our UK incorporated status means that it comes within the definition of a "quoted company" under the UK Companies Act 2006 (the "Act").

Accordingly, Accsys is therefore required to comply with the regime for the reporting and approval of directors' remuneration by UK quoted companies, including:

1. a binding vote on the directors' remuneration policy not less than once every three years; and
2. an advisory (non-binding) vote on the remainder of the Remuneration Report, which includes the implementation of its remuneration policy for the year ended 31 March 2026.

Accsys' remuneration policy was last approved by shareholders at the Annual General Meeting in September 2024. Following a review, the Remuneration Committee concluded that the policy approved in 2024 remains largely fit for-purpose.

Re-appointment of Directors

In accordance with the Company's articles of association and in line with market practice, each of the Directors offer themselves for reappointment at the Annual General Meeting.

I confirm, as Chair of the Company, that the performance of each of the other Directors of the Company has been evaluated. Each Director continues to be effective and continues to demonstrate commitment to their respective roles, and they each therefore offer themselves up for reappointment or appointment at the Annual General Meeting.

Further information about each Director seeking reappointment and appointment can be found at pages 59 and 60 of the 2026 Annual Report and Accounts.

The appointment of Deloitte LLP as auditor of the Company

The Company is proposing to appoint Deloitte LLP as its statutory auditor for the financial year ending 31 March 2027. The proposed appointment follows a comprehensive and competitive tender process and is consistent with best practice on auditor rotation, with PricewaterhouseCoopers LLP (PwC) having been the Group's auditors for 15 years. PwC remained as the Group's auditor for the financial year ended 31 March 2026 and will resign following the completion of the audit. The Board would like to thank PwC for its contribution and dedication over the years and looks forward to a constructive and professional relationship with Deloitte in the future.

Renewal of Authority for Directors to allot shares generally

Resolution 11 will be proposed as an ordinary resolution and seeks consent for shareholders to grant the Directors authority to allot shares or grant rights to subscribe for or convert securities into shares, up to a maximum aggregate nominal value of €8,222,489, which is approximately two-thirds of the nominal value of the issued ordinary share capital of the Company as at 3 July 2026, being the latest practicable date prior to the publication of this notice.

€4,111,244 of this authority is reserved for a fully pre-emptive rights issue only which is the maximum permitted amount under best practice corporate governance guidelines.

The authority will expire at the next Annual General Meeting of the Company or if earlier, 15 months after passing the resolution. The Directors will only exercise this power when they believe that such exercise is in the best interests of the shareholders.

LETTER FROM THE CHAIR OF THE COMPANY continued

Resolutions 12–15

Resolutions 12 to 15 are to be proposed as special resolutions as follows:-

Resolutions 12 and 13 – Disapplication of pre-emption rights

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

Resolution 12 deals with the authority of the Directors to allot new shares or other equity securities pursuant to the authority given by resolution 11, or sell treasury shares, for cash without the shares or other equity securities first being offered to shareholders in proportion to their existing holdings. Such authority shall only be used in connection with a pre-emptive offer, or otherwise, up to an aggregate nominal amount of €1,233,373 being approximately 10% of the total issued ordinary share capital of the Company as at 3 July 2026.

The Pre-Emption Group Statement of Principles 2022 issued on 4 November 2022 supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities (and sales of treasury shares for cash) representing no more than an additional 10% of issued ordinary share capital (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment. The Pre-Emption Group's Statement of Principles defines 'specified capital investment' as meaning one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets that are the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-Emption Group, resolution 13 seeks to authorise the Directors to allot new shares and other equity securities pursuant to the authority given by resolution 11, or sell treasury shares, for cash up to a further nominal amount of €1,233,373, being approximately 10% of the total issued ordinary share capital of the Company as at 3 July 2026, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue. If the authority given in resolution 13 is used, the Company will publish details of the placing in its next Annual Report. If these resolutions are passed, the authorities will expire at the end of the 2027 Annual General Meeting or 15 months after the date the resolutions are passed, whichever is the earlier.

The Board considers the authorities in resolutions 12 and 13 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a rights issue or other pre-emptive offer without the need to comply with the strict requirements of the statutory pre-emption provisions.

Resolution 14 – Authority to purchase own ordinary shares

It is proposed by this special resolution 14 that the Company be authorised to purchase up to 24,667,469 of its own ordinary shares in the market, representing approximately 10% of the current issued ordinary share capital of the Company, at a price at not less than the nominal value of the ordinary shares and not more than the highest of (i) 5% above the average of the middle market quotations of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the 5 business days before the purchase is made and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out. The authority would be given for the period ending on the date of next year's Annual General Meeting or 15 months after the passing of the resolution (whichever is the earlier) and it is anticipated that a resolution for the renewal of such authority will be proposed at each future Annual General Meeting.

Whilst the Directors have no present intention of making such purchases, it is considered prudent to have this authority so as to be able to act at short notice if circumstances change. The authority would however only be exercised if the Directors believe that to do so would result in an increase in earnings per share and would be in the best interests of shareholders generally.

Options over an aggregate of 16,898,912 ordinary shares in the Company were outstanding as at 3 July 2026 being the last practicable date prior to publication of this document representing approximately 6.85% of the Company's issued share capital at that date and which would represent 7.6% of the Company's issued share capital if the proposed authority being sought at the 2026 Annual General Meeting to buy back 24,667,469 ordinary shares was exercised in full.

The resolution will also permit the Company to purchase its own shares to hold as 'treasury shares'. As at 3 July 2026, being the last practicable date prior to publication of this document, the Company does not hold any of its ordinary shares as treasury shares.

The Directors would consider holding as treasury shares any shares which the Company purchases pursuant to the authority proposed to be granted by resolution 14.

Resolution 15 – Notice period for calling a general meeting

Resolution 15 will also be proposed as a special resolution. Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations increase the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (Annual General Meetings will continue to be held on at least 21 clear days' notice).

Resolution 15 seeks approval for a shorter notice period of 14 days. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

Action to be taken in respect of Annual General Meeting

Shareholders will find enclosed with this document a form of proxy for use at the Annual General Meeting. Whether or not you intend to be present at the Meeting, you are requested to complete, sign, date and return the form of proxy so as to reach the Company's registrars MUFG Corporate Markets, by post at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL as soon as possible and in any event not later than 48 hours before the time appointed for the Annual General Meeting (excluding days which are not working days), being 2.30 pm (BST) on Wednesday, 23 September 2026.

Completion and return of a form of proxy will not however prevent you from attending at the Annual General Meeting and voting in person if you should wish to do so.

Recommendation

The Directors are unanimously in favour of resolutions 1 – 15 (inclusive) to be proposed at this year's Annual General Meeting, which they consider to be in the best interests of the shareholders of the Company as a whole. Accordingly, the Directors unanimously recommend shareholders to vote in favour of those resolutions at the Annual General Meeting, as they intend to do in respect of any of their own beneficial holdings of ordinary shares over which they have voting control.

Yours faithfully,

Trudy Schoolenberg
Chair

11. **THAT** the Directors be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Companies Act 2006 (the Act), in substitution for all previous authorities to the extent unused, to exercise all the powers of the Company to allot shares in the Company and to grant rights to subscribe for or to convert any security into shares in the Company:
 - a) up to an aggregate nominal amount of €4,111,244 (representing approximately one third of the total ordinary share capital in issue at 3 July 2026, being the latest date prior to publication of this notice of meeting); and
 - b) comprising equity securities (as defined in Section 560 (1) of the Act) up to a further aggregate nominal value of €4,111,244 in connection with an offer by way of a rights issue, such authorities to expire at the conclusion of the 2027 Annual General Meeting (AGM) or if earlier, 15 months after the date of passing of this resolution, save that the Company may before such expiry make an offer or agreement which would or might require shares to be allotted or rights to subscribe for or convert any security into shares to be granted after the authority ends.

For the purposes of this Resolution, ‘rights issue’ means an offer to:

- shareholders in proportion (as nearly as may be practicable) to their existing holdings; and

to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject in both cases to such exclusions or other arrangements as the Directors consider necessary or appropriate in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory.

12. **THAT** if resolution 11 is passed, the Board be authorised to allot equity securities (as defined in the Act) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority to be limited:

- a) to allotments for rights issues and other pre-emptive issues; and
- b) to the allotment of equity securities or sale of treasury shares (otherwise than under paragraph (a) above) up to a nominal amount of €1,233,373; such authority to expire at the conclusion of the 2027 AGM of the Company (or, if earlier, 15 months after the date of passing of this resolution) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity.

13. **THAT** if resolution 11 is passed, the Board be authorised in addition to any authority granted under resolution 12 to allot equity securities (as defined in the Act) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority to be limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of €1,233,373 such authority to be used only for the purposes of financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Board of the Company determines to be either an acquisition or a specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of this notice;

such authority to expire at the end of the 2027 AGM of the Company (or 15 months after the passing of the resolution (whichever is the earlier)) save that, in each case, the Company may before such expiry make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

14. **THAT** the Company be and is hereby generally and unconditionally authorised for the purposes of Section 701 of the Act to make one or more market purchases (as defined by section 693(4) of the Act) of ordinary shares of €0.05 each in the capital of the Company ("ordinary shares") provided that:-

- a) the maximum aggregate number of ordinary shares authorised to be purchased is 24,667,469 ordinary shares;
- b) the minimum price which shall be paid for the ordinary shares is €0.05 for each, and the maximum price (exclusive of expenses) which may be paid for such shares is the highest of (i) an amount equal to 5 per cent above the average of the middle market quotations derived from the London Stock Exchange Daily Official List for the 5 business days before the purchase is made and (ii) the higher of the price paid of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out;
- c) unless previously renewed, varied or revoked, the authority hereby conferred shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2027 or 15 months after the date of passing of this resolution (whichever is the earlier); and
- d) the Company may, before such expiry, make a contract to purchase its own shares under the authority hereby conferred which will or may be executed wholly or partly after the expiry of such authority, and may make a purchase of its own shares in pursuance of such a contract as if the power had not ended.

15. **THAT** a general meeting of the Company, other than an annual general meeting, may be called on not less than 14 clear days' notice.

NOTES

1. Any member of the Company entitled to attend and vote at this Annual General Meeting may appoint one or more proxies to exercise all or any of his or her rights to attend, speak and vote at the meeting. Where more than one proxy is appointed, each proxy must be appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a member of the Company.
2. For the convenience of members who may be unable to attend the Annual General Meeting, a form of proxy is enclosed which to be valid should be completed, signed, dated and returned, along with any power of attorney or other authority under which it is signed, to the Company's registrars, MUFG Corporate Markets, by post at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL by 2.30 pm (BST) on Wednesday, 23 September 2026, being 48 hours (excluding days which are not working days) before the time fixed for the Annual General Meeting, or if the Annual General Meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting excluding days which are not working days. The fact that members may have completed forms of proxy, other such instrument or any CREST or Proxymity Proxy Instruction (as described in notes 3 to 8 below), will not prevent them from attending and voting at the Annual General Meeting in person should they afterwards decide to do so. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.
3. You can vote electronically by logging on to www.signalshares.com and following the instructions. To register for the share portal you will need your Investor Code, which can be found on your share certificate. To be valid your vote must be input by 2.30 pm (BST) on Wednesday, 23 September 2026, being 48 hours before the time appointed for the Meeting or not less than 48 hours if the meeting is adjourned prior to the time fixed for the adjourned meeting (not including weekends or public holidays).
4. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
5. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) not later than 48 hours (excluding weekends and public holidays in England and Wales) before the time appointed for holding the Annual General Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
6. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
7. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

8. Proximity Voting - if you are an institutional investor you may also be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proximity, please go to www.proximity.io. Your proxy must be lodged by 2.30 pm (BST) on Wednesday, 23 September 2026 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proximity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
9. Any person to whom this notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
10. The statement of the rights of shareholders in relation to the appointment of proxies in notes 1 and 2 does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
11. Pursuant to Regulation 41 of the Uncertified Securities Regulations 2001, only those members who have been entered on the Company's register of members by 2.30pm (BST) on 23 September 2026, or, if the Annual General Meeting is adjourned, such time being not more than 48 hours prior to the time fixed for the adjourned meeting excluding days which are not working days, shall be entitled to attend and vote at the Annual General Meeting and only in respect of the number of ordinary shares in the Company registered in their name at that time. Changes to entries on the Company's register of members after that time will be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.
12. As at the close of business on 3 July 2026, being the last practicable date prior to publication of this document, the Company's issued ordinary share capital comprised 246,674,698 ordinary shares of €0.05 each. Each ordinary share carries the right to one vote at a general meeting of the Company and therefore the total number of voting rights in the Company as at 3 July 2026 is 246,674,698.
13. Persons holding their ordinary shares of €0.05 each in the Company through Euroclear Nederland B.V. ("Euroclear") via banks and brokers are not included in the Company's register of members – such ordinary shares are included in the register of members under the name of Euroclear. If anyone who holds their ordinary shares through Euroclear wishes to (i) attend the Annual General Meeting or (ii) appoint one or more proxies to attend, speak and vote on their behalf or (iii) give voting instructions without attending the Annual General Meeting, they must instruct Euroclear accordingly. To do this, they are advised to contact their bank or broker as soon as possible and advise them which of the three options they prefer. Alternatively, persons can choose their preferred option electronically by accessing the website www.abnamro.com/evoting and following the instructions therein. In all cases, the validity of the instruction will be conditional upon ownership of the shares at 2.30 pm (BST) on 23 September 2026.
14. Copies of the service contracts, consultancy deeds and engagement letters of all the Directors of the Company, and the New Articles will be available for inspection at the registered office of the Company during normal business hours on any weekday (Saturdays and public holidays excepted) from the date of this document until the close of the Annual General Meeting, and at the place of the Annual General Meeting for at least 15 minutes prior to and during the Annual General Meeting.
15. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

NOTES continued

16. Under section 527 of the Act members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.
17. Any member attending the Annual General Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Annual General Meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the Annual General Meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Annual General Meeting that the question be answered.
18. A copy of this notice, and other information required by section 311A of the Act, can be found at www.accsysplc.com.
19. You may not use any electronic address provided in either this notice of Annual General Meeting or any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.
20. Members attending the Annual General Meeting in person are requested to arrive in reasonable time. Any member arriving after the time the Annual General Meeting commences may be refused admission.
